TEST MAY PROVE ABUNDANT CLEAN SUPPLY OF WATER

RAYMOND L. POSEY NATIVE OF CAMERON IS BURRIED SUNDAY

BODY OF BELOVED YOUNG MAN LAID TO REST BY MASONS IN OAK HILL CEMETERY

Raymond L. Posey, aged 25 years, native of Cameron, died at his home at 6 a. m. Saturday, September 24, 1921.

He was engaged in business and was one of the best loved and respected young men in Milam county and his passing away leaves deep the scar of human sorrow in every heart. In one of the most largely attended funerals in the history of Cameron, conducted by the Masonic Lodge, assisted by the Odd Fellows and Knights of Pythias, the body was laid to rest Sunday afternoon at five o'clock, September 25, in Oak Hill cemetery. The funeral was an impressive symble of the universal love and esteem in which he was held.

Raymond L. Posey, aged 25 years, was the son of Mr. and Mrs. L. H. Posey of Cameron. He grew to manhood in Cameron, the city of his birth. At the time of his death he was engaged in the bakery business, having purchased the Model Bakery on July 20, 1920. As his fine character and qualities brought him the esteem of his fellow townsmen, so did his business acumen and thrift bring him success in business.

He became ill about September 17, enduring for one week when the end came.

He was a member of the Masonic Lodge, having completed his initiation only a short time before his death. He was a member of the Odd Fellows and Knights of Pythias, to all of which he was devoted and a faithful brother and member. He was a member of the Baptist church and a young man of Christian ideals and Godly practices.

Sunday afternoon at 3:30 o'clock services were held in the home, conducted by Rev. Ira F. Key and Rev. H. R. MacFadyen, of the Methodist and Presbyterians churches, respectively. Hundreds who knew and loved Raymond L. Posey, called at the home Saturday and Sunday and when the funeral service hour came Sunday members of the fraternal organizations proceeded to the home in a body from their respective lodge rooms.

The funeral procession was led by members of the Masonic Lodge followed by the Odd Fellows and Knights of Pythias. The funeral was in charge of the C. N. Green & Brothers undertaking parlors. Scores of floral offerings were received from friends in and out of the city, so that the grave was richly covered with these beautiful tributes of love and esteem.

I nthe death of Raymond L. Posey, the city loses one of its best beloved citizens and his passing presses to the lips of hundreds who knew him, the bitter cup of sorrow. His is the life to emulate; his companionship was an inspiration because his life brought to the surface all of the best and noblest of human qualities.

The Herald extends its sympathy to the bereaved ones.

$10,000 PAID FOR LUMBER COMPANY SITE IN CAMERON

MILAM COUNTY LUMBER CO. BUYS CASS PROPERTY—WILL MAKE IMPROVEMENTS.

The Wm. P. Carey Co., lumber dealers, operating the Milam County Lumber Company in Cameron, has purchased for $10,000 the property on which the lumber yard is located. The property was purchased from Mrs. N. Cass.

The company will soon begin the erection of new lumber sheds making the yard one of the most modern lumber stores in the county. The company also operates the Burlington and Buckholts lumber yards in this county.

The Cameron yard is under the management of G. C. Walters, one of the most progressive retail lumber men in the county and the purchase of the property by the company with the contemplated improvements reflects credit to his management of the business.

CARD OF THANKS.

To those of our friends who sent flowers, and who in other kind and generous ways, expressed their sympathy to us in our recent bereavement we wish to extend our deep and heartfelt thanks.

MR. AND MRS. L. H. POSEY AND FAMILY.

MAYOR HEARRELL PROCLAIMS FIRE PREVENTION DAY

PROCLAMATION SIGNED BY MAYOR AND FIRE MARSHAL ADAMS SETS DATE OCT. 9

In a proclamation signed by himself and fire marshall Ed F. Adams, Mayor U. S. Hearrell, officially proclaims October 9, as Fire Prevention Day in Cameron.

Fire Marshall Adams through systematic inspection and timely advice to propert owners has given Cameron the best possible rating and with more complete co-operation fire hazards will be further reduced.

The proclamation is as fallows:

"It is the custom throughout the nation to observe October 9th, anniversary of the Chicago conflagration of 1871, as Fire Prevention Day, in which connection the governors of the several states and mayors of cities and towns issue their proclamations to emphasize the need for eliminating fire hazards.

"Each year in this country several thousand persons are burned to death or maimed for life by fire and heavy toll is taken of our natural and created resources because many of us do not pause to count the cost of tolerating conditions that cause fire. Never in our history have we suffered so severely as within the last 12 months when approximately 20,000 lives were lost and $500,000,000 worth of property values were burned.

"Therefore, I. U.S. Hearrell, mayor of the city of Cameron, do hereby proclaim Sunday, October 9, 1921, Fire Prevention Day in our city, and call upon every citizen to join in its appropriate observance.

"On that day it is proper that ministers of the Gospel throughout the city arrange for addresses from pulpits and before Bible schools covering safety from fire. Let the first 10 days of the month of October this year be known as a period for safeguarding against fire during which let us place our homes and business properties in order against damage or destruction by a careful examination and repair of chimneys and flues and heating and lighting apparatus and equipment, by making provisions for the safe handling and storage of volatile liquids and explosives, and by clearing away rubbish and trash and other agencies that cause fire.

"It is important that our board of education and teachers in all public and private schools inaugurate fire drills, and instruct the children in their care how to avoid fire. In cooperation with the City Fire Marshal and Chief of the Fire Department let all fire insurance agents, the Chamber of Commerce, Women's clubs, Boy Scouts, Labor council and other organizations plan and execute appropriate activities to impress the need for fire prevention.

"And henceforth let us set ourselves diligently and constantly to the task of eliminating preventable fire waste.

"In testimony whereof I have hereunto signed my name and affixed my seal of office ,on this the 27th day of September, A. D.. 1921.

U. S. HEARRELL, Mayor.
E. E. ADAMS, City Fire Marshal.

BAPTISTS SECURE GROESBECK PASTOR

REV. WHITE GIVEN CALL BY LOCAL CHURCH FOLLOWING SUNDAY MEETING.

Rev. White of Groesbeck, has been called to the pastorate of the Cameron Baptist church. The call was made Sunday following a meeting at the church. The call was made unanimous. Rev. White has accepted, but will not be in Cameron for some two or three weeks.

MRS. LOTTIE BIGBEE BUYS ROBERT McLANE PROPERTY

The Robert McLane home has been sold to Mrs. Lottie Bigbee for $10,000. Deal for the sale of the property was closed last week by J. D. Hefley.

A recent fire destroyed the home of Mrs. Bigbee. As soon as the McLane property can be arranged Mrs. Bigbee will again open a boarding house with rooms to let. This is valuable property for business purposes and will be convenient for those who wish to board.

Mr. McLane will move to his old home near the Baptist church now occupied by Mr. and Mrs. Trent Newton. Mr. and Mrs. Newton will occupy the Stecher place now under construction.

JOHN JAMES GIVEN 7 YEAR SENTENCE ON PLEA OF GUILT

ROBERTSON COUNTY MAN TO PAY PENALTY FOR KILLING CLAUDE WHITEHEAD.

John James, twice tried and convicted in Robertson county for the murder of Claude Whitehead near Franklin on June 14, 1918, and whose case was both times reversed by the higher courts, was given a seven year setnence in the state penitentiary following a plea of guilt entered in the district court before Judge John Watson Saturday.

The defendant waved time and was sentenced by Judge Watson. He was taken to a cell in the county jail by Sheriff L. L. Blaylock and from Cameron will begin in a short time his term of sentence in the state prison.

John James is 28 years old. Claude Whitehead for whose murder James enters a plea of guilt, was 21 years old when he was shot to death at his home in the James settlement in Robertson county, June 14. Trouble which led to the killing of Whitehead is said to have started over suspicion aroused in the mind of James that the slain man had been active in bringing about a re-classification of James in the draft. James, it is said, was put in class one ,but after filing affidavits, claiming exemption on the grounds of being a stockman was reclassified and put in class two. It is said, there was some challenge of his right to a deferred classification and sometime later the draft board of Robertson county replaced James in class one.

Claude Whitehead resided near the home of James and was killed on being called to the door of his home on the night of June 14 ,1918, 5 loads of buckshot being fired into his body.

James was arrested and charged by indictment for the murder of Whitehead and was tried in 1919 and given a 23 year sentence. The case was reversed. In 1920, James was again tried in Robertson county and given a 20 year sentence. This case was also reversed.

All three trials were made before District Judge John Watson.

In 1919, the first trial, Judge Watson was appointed by Gov. Hobby. After the trial of 1920 and the reversal of the case by higher courts, the case was brought to the district court of Milam county to again be tried by Judge Watson.

K. W. Gilmore former district attorney of Robertson county, who had prosecuted James in the two former trials before Judge Watson, was in Cameron to assist the state and district attorney Jack Lewis in conducting the prosecution. H. A. Bush of Mexia was also employed by the state.

The defendant was represented by Perry F. Wood, J. L. Goodman and H. S. Moorehead of Franklin and Henderson, Kidd and Henderson.

The case was transferred from Robertson county in July and went to trial Monday, Sept. 26. The entire day Monday was consumed in impaneling the jury. James entered a plea of guilty Tuesday morning and the jury upon recommendation of the prosecution, gave the defendant seven years in the penitentiary.

W. E. Thompson, sheriff of Robertson county, G. W. Davlin, former sheriff who arrested James after the killing were at the trial as witnesses. B. E. Satterfield, a member of the draft board and Judge J. A. Cox, justice of the peace who held the inquest over the body of Whitehead were also present as witnesses.

TOURIST PARK TO BE READY IN 1922 FOR TOURISTS

COMMERCIAL CLUB SUCCEEDS IN PROMOTING PARK IDEA ADVANCER BY PARMA.

Cameron will have a tourist park in 1922. The civic improvement committee in the Commercial club has reported the selection of the Wilson-Ledbetter park for the tourist camp and the city of Cameron has voted an expenditure of $600 for improvements.

The tourist park idea was advanced by J. T. Parma some months ago. Since Mr. Parma has issued a log book attracting tourists to Cameron so that the necessity for the park is more pronounced.

A letter was read from the secretary of the Retail Merchants association of Texas, proposing to send a representative here to organize a local association. Upon motion from Giles L. Avriett, duly seconded, a committee of three was appointed to look into the matter and make a recommendation

(Continued on Page Two.)

LEASE TRADING IS ACTIVE IN MINERVA FIELD DURING WEEK

DRILLING RESUMED FOLLOWING SHUT DOWN DURING THE FLOOD PERIOD.

With lease trading very active in the Minerva field the new shallow pool has taken on another spurt the past week. Many deals have been closed and the field is attracting some Oklahoma capital as well as Gulf coast interests.

All of the wells have resumed drilling and many of them are nearing the pay sands and should be drilled in this week. All of them are being given the closest attention by the oil clan and it is believed that the next few days will bring joy to those that have been on the inside of the drilling wells in the new field.

A deep test is to be drilled somewhere in the district within the next month and preparations are being made for the blocking up of a large tract of acreage for the drillers. There is more doing now in the new field than at any time since the bringing in of the discovery well of the Oklahoma Bell Oil company number one Robert Issacs, last February.

One of the most important deals that were closed during the week was with Drs. Newton and Hubert by the Oklahoma people on the Moore and Lucas tracts in the proven district.

Several West Columbia oil men are looking over the field with the object in view of leasing some of the inside stuff for development in the future.

The well of Sherring and Elwell is drilling around the green sand about 520 feet.

Fogel on the Moore tract is about ready to be brought in for a producer this week. The well of J. Z. Hodge et al on the Cooper, is drilling at something around 500 feet after getting the water shut off which has given the drillers some little trouble.

Bell & Haines, No. 1, R. L. Batte is fishing for tools hung up in casing below 700 feet.

Pete Johnson et al, No. 1, Manly, has started drilling around 640 feet.

Pat Johnson et al, No. 1, Manly-Freeman, is shut down waiting for drill stem.

Moore C. Hess et al, No. 1, Issacs have finished setting 10 inch casing at 65 feet and have resumed drilling.

Texas Plains Oil Syndicate are moving on rig to the No. 2 location, on the Neihous farm 300 feet northwest of No. 1 gusher well.

Little River Production company, No. 1, Issacs ,rig on location. Fogel et al, No. 1, Day moving on rig.

San Gabriel Oil and Gas company No. 1, Brown, is fishing for tools lost in hole by cave.

It is reported from reliable sources that Kemp & Hefley will start drilling their No. 1, Moody, soon in an effort to uncover the Woodbine sands. The well has been shut down for some time and this news will be welcomed by all of the oil people to hear that these operators are to test the deep stuff. This test will be watched with interest by outside people as the bringing in of a well in the deep stuff will put the Minerva field in the same class as Mexia to the north.

There was a barbecue served today at Milano to all those interested in oil and will be in celebration of the spudding in of Milano's deep test which is being drilled on the Burnett tract adjoining the townsite of Milano on the south. All of the Milano boosters were out the past few days circulating the news around and extending the invitations to all that cared to come to the new oil town to be.

Cameron is taking care of all of the oil men coming into the field as well as predicted that one more month will witness a good many more drilling rigs in the field and that much new capital will be interested is the consensus of opinion of those in close touch with the field. Next week will probably usher in at least two new wells which will bring the field that much nearer the goal of the largest shallow producing field in the state of Texas, if not in the country.

YARRELTON BAPTISTS TO HOLD REVIVAL MEETING

Rev. C. L. Spradley, county missionary, in writing to the Herald regarding the coming revival meeting with the Baptist church in Yarrelton has the following to say:

"We are to have a great meeting at Yarrelton Baptist church, beginning Wednesday after the first Sunday in October at 8 p. m. which is Oct. 5th. Everybody invited and especially invited to attend and help make this a great meeting. We appeal to the members of Yarrelton church in a special way. Come brethren, this is the hour for our church to have a meeting. It is to be continued as the Lord wills.

Needle cases, tape measures, table markers and other hand painted novelties at the Specialty Shop.

3 Wells Under Test Produce 600,000 Gallons Per Day

Clean water in sufficient volume to supply the industrial and domestic needs of the city of Cameron is believed to be available from wells thoroughly tested this week, producing 600,000 gallons of water per day.

The test of these wells was a part of the week's rpogram under the supervision of Mayor U. S. Hearrell and the city council in their fight to give Cameron a safe and adaquate supply of water.

Mayor Hearrell, following a meeting of the council last week authorized the announcement that the services of an engineering firm in Dallas had been contracted for by the city to plan a system of water works and submit feasable plans whereby the city may proceed with a bond issue and install its own system of public utilities.

James D. Fowler, a member of the Engineering Service Corporation of Dallas, arrived in Cameron Monday and up to noon Thursday had made good progress in shaping the plans for a modern system of utilities.

Mayor Hearrell declares, as does Mr. Fowler, that the business in hand, involving large construction and accurate plans, requires both caution and prudence, and they are proceeding so that no mistake will be made either in estimating the water supply or in putting into execution the machinery for municipal control of the public utilities.

In determining the adaquacy of the water supply from water wells in the city of Cameron, the utmost care is being exercised. Not only is Mr. Fowler to ascertain for a certainty that the supply is adauaqte, before a system is installed, but with Mayor Hearrell is to give the water both a bacterclogical and chemical test to prove its safety for consumption.

The administration has in mind a system of public utilities that will satisfy the needs in Cameron and remove any possibility of menace to the public health from the use of water. In this undertaking the city has the unqualified support of people of Cameron who have come to realize that without municipal ownership little or no satisfaction can be had from the operation of the public utilities.

In the belief of the mayor no other way is possible to settle the problem. In this way, the submitting of the problem to the people for settlement, an unquestioned expression will be had. The people who make up the city may have just what they want and in the way they want it.

As expressed by one member of the council it is an opportunity that must settle and settle finally all controversy over the operation of the public utilities; that public sentiment must indicate by the ballot if a condition over which there has been so much expressed dissatisfaction during the past years, will be corrected or allowed to continue.

It is a test put in a business like way to let the people say what they will do. As has been expressed, this should quicken the public conscience so that the issue may be fairly met and settled.

The proposition to be submitted by the city is unquestionably sound and business like. In the first place, it offers the only way out of the public utilities tangle; it is in keeping with the demands of the city; and is to be adopted on a basis of the revenues retiring the bonds and paying the interest. This latter proposition is not guess work, but will be put in guarantee form to the tax payers.

Regarding the supply of water Mayor Hearrell and Mr. Fowler both agree that the well production is encouraging. If, however, this supply is not sufficient, the river supply is available and by installation of proper equipment for filtration and treatment can and will be made pure and safe, as in the case of Temple and other cities.

The engineers are working out a system to be installed by the city for both water and lights, figured on a basis of the revenues paying the system out within a given time without increasing the taxes of the people.

Systems of this kind are proven successes in other towns and will be so conducted in Cameron.

The greatest need at this time is unified support by the citizens. The Herald has received a number of expressions from citizens by mail and by personal calls, approving the plans now under way in the city. The Herald is now asking for at least 20 expressions in writing each week for publication from citizens in order that the course of events may be determined and public sentiment arrived at. Don't wait for George to do it. Cameron must be insured against continued private control of the public utilities, operated under doubtful charter provisions.

JURY ADMITS WILSON WILL TO PROBATE IN DISTRICT COURT

VERDICT IN FAVOR OF APPLICANT GIVEN IN HOUR AFTER CASE GOES TO JURY.

Verdict in favor of the applicant was given by a jury in District court here Saturday admitting to probate the will of the late Mrs. Lizzie B. Wilson, under contest since February.

The will was contested by H. C. Ledbetter, brother of Mrs. Lizzie B. Wilson and the case was first heard before Judge W. G. Gillis in the county court where a verdict in favor of the applicant was given. The case was appealed from the county court and tried before Judge John Watson.

A motion for a new trial has been filed by attorneys S. H. Clayton, O. L. Stribling and U. S. Hearrell. The applicant was represented by Henderson, Kidd & Henderson. John W. House and Jim Andrews, who received bequests under the will were represented by F. M. Ethridge of Dallas and W. T. Hefley of Cameron. The Southwestern University at Georgetown, and other legatees were represented by Wilcox and Graves.

The entire week was consumed in the trial of this case, the examination of witnesses was not completed until Friday evening, and argument in the case began Saturday morning and was not concluded until late Saturday afternoon, the jury reached a verdict in about an hour, answering special issues Nos. 1 and 2 of the courts charge.

Special Issue No. 1. Did the deceased Lizzie B. Wilson, have sufficient mental capacity on August 19 and 20th, 1920, make the will and codicil offered for probate? Answered—Yes.

Special issue No. 2. Was the deceased Lizzie B. Wilson, at the time she signed the will and codicil thereto, dated Aug. 79th and 20th, 1920, induced to execute the same by reason of undue influence of John W. House, Mrs. Jennie T. Porter and Mrs. Ida Powel, or either of the said parites? Answered No.

Much of the evidence of the former hearing was gone over and both sides introduced it as evidence in the case. Of chief interest in the last hearing was the introduction of a number of letters written by Mrs. Lizzie B. Wil-

(Continued on Page Two.)

Dunning System Music Adopted In Cameron Schools

MRS. OLENA POULSON OF LOTT GIVEN CONTRACT TO TEACH SYSTEM HERE.

The Dunning System, acknowledged the most successful and complete method of teaching music in the public schools has been adopted by the school board for the junior high school.

Mrs. Olena Poulson of Lott celebrated student of the system and teacher of music has been employed by the trustees to teach by the system in the junior high school. Mrs. Poulson began as instructor today. She will be at the junior high school music room on Monday and Thursday of each week. A very nominal charge, considering the efficiency of the system, of only $4 per month will be made.

Mrs. E. L. Tucker, conversant with the Dunning system, became interested in improvement of the system of teaching music in the junior high school, and during a recent visit of Mrs. Poulson to Cameron arranged a meeting in her home of members of the school board and others interested in music. Associated with Mrs. Tucker in securing the Dunning System are Mrs. Eugene Wallace, Mrs. W. G. Gillis and Mrs. W. O. Triggs, the latter two members of the school board and Mrs. Lottie Bigbee.

Those familiar with the Dunning System feel greatly encouraged for more success in teaching music in the junior high school, and are certain that the system will encourage increased efforts at music among pupils because of its great fundamental thoroughness and easily mastered methods.

The securing of the Dunning System is regarded as the most forward looking achievement for music instruction in the history of the school.

THE TENT MEETING.

The tent meeting of the Church of Christ, one block and ahalf north of the court house, continues with growing interest. The services will continue every evening next week.

The preaching is being done by J. Early Arceneaux, evangelist of the Church of Christ at Killeen, Texas.

The song service is under the direction of Messrs. J. W. Oeuff and Wm. D. Evridge, two well known singers, who have been connected with the Trio Music Co., of Waco for years.

son to people who shared in her will. These letters were introduced to prove that deceased was of sound mind when the will under contest was made. One of the letters to Mrs. Lucy Wallace of Austin was written as late as December 1920. Mrs. Wilson died in January 1921. Following are some of the letters introduced as evidence: Envelope:—"Mr. John W. House, or Mrs. J. W. House."

"The Wilson Farm, 6-6,-1918.

Dear John and Pearl:

I know you will be surprised when you receive this letter. I am doing just what I want to do and not by any one's advice. I have willed my dear home to my two sisters as long as they want to live on the place and make it their home. When they leave it or die it is to go to you two that I love so dearly and who have tried to give me more pleasure than any one else. I give you what I love best of all, my property. Take care and live in my home and love it for my sake and my dear husband that loved you too, dear John. How good and kind you were to wait on him when he could not help himself. May the good Lord bless you and yours for your kindness to him and to me since I have been left alone. You, Pearl and Maurina, have given me more pleasure than any of the relatives, that is why I want to give you what I love best.

I know every one will think that Goodhue ought to come in first. He has always loved the dear old place, but if I give him the place he will have to come to it, but I know his wife nor daughter would not love my dear old home, nor would not want to live in the country. As I have given Goodhue a good start in life I do not think he needs any more.

So will give it to those that I love next, John, Pearl and Maurina. I believe if I pass away in the next few years that you would love to come to my dear old home and live as long as you live.

I have written a letter that I leave in my box, and will put this one in there too, telling them what I want them to do. I do not think they will be satisfied here long after I am gone. God bless my loved ones,

Lovingly,
Auntie
LIZZIE B. WILSON."

On same sheet.

"April 14, 1919. Dear John and Pearl: I made a new will today and willed my dear old home to you two and not to my two sisters as I wrote you I had. I had given them much. I did not think I would give them my home, but will it to you and Pearl, my dear adopted children. Love the dear old home for me and my dear husband's sake. Lovingly your old adopted aunt.

LIZZIE B. WILSON."

Envelope: "Mr. Goodhue Wilson Barclay."

Letter enclosed:

"The Wilson Farm,
Nov. 29, 1919.

My Dear Boy: I have been very sick since the 10th of Oct. The first to write you a few lines this morning night I had a bad spell. I am going to write you a few lines this morning. I hope to live to see you and your family, as soon as the doctor thinks I can. Remember my dear boy that mamma loves you and yours to the last although there was a great distance when you could not live gone and I have gotten over it, but since you left, I could not decide who I should give my dear old home to. Sis Jennie and Ida are now too old to take care of it and I think they both would be better off with their children, so they can be taken care of there in their old age.

If you and your family had lived here and had loved the country and had taken a pleasure in taking care of us I would give the place to you, but when I saw how dissatisfied your family was, I said I would never come between you and your family again. None of the young folks in Brother Henry's family have made me love them enough to give it to them. There is no Wilson but D—. I could not give it to him. I would prefer it to go down in the Wilson name, but it cannot do that. It would have to be in another name, so I have decided to give it to a man that has been a son to me since my dear husband left me and I love him and his family as if they were my own children. I think they love the place as much as any of the relatives for he has been more to me than any one else in my widowhood. My dear husband asked him to take care of me, that I would need a friend in my old age. He has so far fulfilled his promise to my dear husband, and has earned every dollar that I have given him, by his kindness and goodness to me. It is mine and I think I have a right to give it to the one I love so dear. God bless my darling boy. Lovingly.

MAMMA.

P. S.—It is with —— —— I write this. I want the Wilson's to have the old Wilson home, the Ledbetters to have the old Ledbetter home. I do not think any of the relatives ought to say a word.

My dear boy give this letter to all the relatives to read on both sides. Your uncle told me to do just as I have done. God bless my darling boy. Your loving MAMMA"

Goodhue Wilson Farm,
December 7, 1920.

Mrs. Lucy Wallace,
Austin, Texas.

My Dear Old Friend:

Your letter received. I have been waiting for three things, one was to hear from Sis Jennie, again to see if my cook would not get well so I could have some one to cook you something to eat when you come and for Ida to decide when she will go to Ella's. In the last letter from Sis Jennie she did not say when she would get here. Ida has now decided that she will wait until Powell gets home and comes for her, as Oscar is too busy to come for her. That does not make any difference in your coming. I will be so glad to see you at any time, although the cook is still sick, I know you can make out on what we do. I have a boy and call in Jim to do what the boy cannot do. Ida helps too, but she has not been very strong since she had those chills and fevers, and I certainly am proud to tell you that I can go sit in the kitchen and make the boy get a very good meal and it certainly eats good when we cannot do any better. I can buy light bread and cake in town, and will kill hogs the first day we think it cold enough. I have three men that I think can do that work.

Brother Henry is still very feeble. Nelle and her husband are faithful to take care of him. Katie Nesbitt is sick, her mother thought she was better this morning. Ike and family have moved back home and are sending

all well. Maurine is at Georgetown. Our new preacher came Saturday night and preached for us Sunday and came back to dinner, also John and Pearl. We all liked him very much. He has wife and four children. Hope he will help our church and Sunday school. Come whenever you think best and let us know what train to meet you.

From your old friend with love,
LIZZIE B. WILSON.

Mirak school district No. 57, will begin Oct. 10th. Compulsory attendance Nov. 7th.

Better buy a box of Scottie cakes.

(Continued from Page One.)

to the club. The following committee was appointed by the chair: Giles L. Avriett, chairman, C. R. Phillips, R. H. McIntosh.

R. H. McIntosh, chairman of the Civic Improvements committee reported that his committee had decided on the Wilson-Ledbetter park as the proper place for a camping park, that the city council had voted an appropriation of $600 for improvements on same and the committee expected to have the park ready for tourists next season.

Giles L. Avriett of the good roads committe reported the letting of the contract by the Commissioners court to Kuykendall & Shelton for the construction of that part of the Sap highway from Rockdale to the Lee county line. Mr. Avriett recommended that the club sponser the graveling of that part of the Jones Prairie road from Boecker's corner to Silver City. Upon motion from F. S. Lesovsky, seconded by J. D. Dobbins, a committee was appointed to raise funds for the purpose of graveling this stretch of road. The following committe was appointed for this work :

Finance committee with whatever assistance necessary.

Judge W. G. Gillis called attention to the fact that the Shist road to Rockdale held up under the heavy rains about as well as the gravel roads and suggested that Shist might be used to a good advantage on the Milano and Hanover roads.

F. S. Lesovsky made a speech in favor of insuring the Cameron Stock show against rain but no action was taken.

FOOTBALL GAME HERE FRIDAY, CAMERON VS LOTT

The first gridiron classic of the season has been announced for Friday September 30 in Cameron between Cameron and Lott. EPISCOPAL CHURCH.

Rev. J. D. Whailing of Austin will preach at the Episcopal church in Cameron Sunday night at 7:45 o'clock. Everybody cordially invited to attend the services.

FARM BUREAU MARKETING EXPERT VISITS CAMERON

C. B. Harris, district supervisor of the Farm Bureau Cotton association, in company with county agent, George Banzhaf, was in Cameron last week in the interest of the marketing association.

Sixty-seven farmers have signed contracts in the county. These farmers produced 1586 bales last year. The association is now in a position to advance $40 per bale on cotton. Tags and blanks can be had at the local banks. All information for shipping can be obtained from County Agent Banzhaf.

"Three factors enter into the price increase," said Mr. Harris. "They are, the cotton pool movement, weather conditions in the south and insect ravages." In Ellis, the largest cotton producing county in the state, the county agent is satisfied with the marketing plan, Mr. Harris declares.

Are you using Diamond Tires?

Will Serve Meals for $25 Per Month

RESOLUTIONS OF RESPECT

In memory of Brother Raymond L. Posey.

Once again death has summoned a Brother Odd Fellow and the Golden Gateway to the Eternal City has opened to welcome him to his home. He has completed his work in the ministering to the wants of the afflicted, in shedding light and bringing joy into the lives of his friends and loved ones, and as his reward has received the plaudit 'Well done" from the Supreme Master.

So let him sleep that dreamless sleep,
Our sorrows clustering round his head;
Be comforted ye loved who weep,
He lives with God, he is not dead.

Green be his memory in the Order's heart,
He loved so well, through all his true life's span;
Bless'd be his rest, who acted well his part,
Who honored God in doing good to man.

Resolved that Cameron Lodge No. 56, I. O. O. F. of Cameron, Texas, tender a copy of these resolutions to the bereaved family, a copy furnished the paper for publication, and a copy spread upon the minutes of the Lodge.

E. L. TUCKER,
W. O. TRIGGS,
J. F. CHADWICK,
Committee.

SALTY SIFTINGS.

Sept. 26.—Mrs. John Caffey spent the week end with her sister Mrs. Arthur Clare of Florence.

Arch Parton of the Milton community was selling beef here Saturday.

Miss Ermis Griffin spent the week end with her sister Mrs. Arthur Clare of Florence.

Miss Dovie Hopkins who has had a spell of continued fever is able to be up again.

Ralph Jackson is still on the sick list.

Miss Pearl Pinkerton was visiting Mrs. Joe Brown of Gayhill Wednesday.

Mrs. Callie Hopkins went to Milton Saturday.

Bro. White filled his regular appointment here Sunday.

Misses Elvira and Alpha Clare of Florence visited in the home of John Caffey Sunday.

Mrs. Laura Cook was trading in Thorndale Thursday.

Frank Jackson was trading in Rockdale Monday.

Miss Boice who is teaching at Gayhill, attended church here Sunday.

Sister P. E. White and children attended church here Sunday night.

Frank Clement and son Connell went to Rockdale Sunday.

Mrs. Lizzie Averiett of Pleasant Hill visited her parents Mr. and Mrs. J. M. Ralston Sunday.

POPULAR FALLACY EXPLODED

Advertising Cost of $100 Worth of Clothes but $2.07, Says Survey.

Chicago.—The plaint of many persons for years that if a store didn't spend so much for advertising "the cost of that suit of clothes would be about half what it was" is proved to be wholly false by Prof. Horace Secrist, director of the bureau of business research of Northwestern University ,who has just finished an elaborate survey of the retail clothing trade. Prof. Secrist has just gone to Rochester, N. Y., to deliver four addresses in as many days at the annual meeting of the National Association of Retail Clothiers, whose membership furnished the information upon which his survey is based.

If a Chicagoan buys two suits of clothes a year and pays an average of $50 each for the suit—an expenditure of $100—Prof. Secrist discovered that of this total net sale, only $2.07 went for advertising and of this small amount but $1.59 went to the newspapers for newspaper advertising. The survey covered a three-year period and is regarded as furnishing standards for the retail clothing trade. Whereas, the newspapers get only a little over $1.50 of that $100, Prof. Secrist shows that landlord, for rent, got $2.64, and that wages took $12.48. The bonus plan is not used by a majority of the retail clothiers and wherever it exists it generally is in city plants of the largest companies, the survey reveals.

Thirty-six states with 569 stores contributed the information the Northwestern professor reports. The survey was in progress a year, the results are published in six volumes and the total cost was about $50,000.

"This survey is said to be unique," commented Prof. Secrist before leaving for Rochester. "As far as known a similar study never was made in any other industry or trade."

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS Chill TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS Chill TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS Chill TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS Chill TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

EMPHATIC ARGUMENT FOR CONTINUOUS ADVERTISING

On Monday morning The Auxiliary received two letters—one from Macon, Ga., and the other from Zephyrhills, Fla.

Of course there were other letters in that mail. But these two emphasized the importance of continuous advertising.

The Macon letter starts off: "Some time ago you published an advertisement about a———. Can you put us in quick communication with the company? I would like for you to write them and ask them to send us quotations on ten or twenty of the machines," etc.

The Zephyrhills letter begins: "Some time past I saw an ad in The Auxiliary of a concern that———, but somehow the copy has been misplaced," etc.

Had these two concerns kept even a small ad in The Auxiliary, they might have closed these sales.

And who can tell how many more? —Publisher's Auxiliary.

WAR VETERAN BURRIED IN ROGERS CEMETERY

On last Friday afternoon, Mrs. Katie Hill and granddaughters, Bernice, Flonnie and Lois Elliott went to Rogers to attend the funeral of John Thomas Hill, Mrs. Hill's grandson, who was brought from France. On Oct. 8, 1918, John Thomas Hill bravely laid down his life for his country's cause.

The funeral services were held at the Methodist church of Rogers at 3 o'clock Saturday afternoon. He was laid to rest in Fairview cemetery. Many friends and relatives attended the funeral.

COMMISSIONERS COURT ORDERS CONSTRUCTION OF BRIDGES

County Auditor Giles L. Avriett has been authorized by the Commissioners court of Milam county to advertise for tion of the following bridges in Milam bids for the construction and re-erec-county ,the work being imperative following the destructive floods in the county on September 10:

The Glasscock bridge over San Gabriel river.

San Gabriel bridge over San Gabriel river.

The building of a new 75 foot bridge over Alligator creek near Redville gin.

The building of a new bridge over Clay's creek near Ed Graham's.

The Scheckles bridge over San Gabriel river.

Little Bear creek bridge and the 40 foot bridge near the J. B. Rogers place on Holtzclaw road.

The 40 foot 1 beam bridge near Tomasek place on the Ad Hall Norman Valley road.

BIDS ACCEPTED FOR BRIDGE REPAIRING IN THE COUNTY

Two bids authorizing the salvaging of the San Gabriel steel bridge across the San Gabriel river, and the construction of a bridge across Cummins crossing near Buckholts, were accepted by the Commissioners court in regular session Thursday, September 22. All members of the court were present when the bids were let.

The following bids were let:

The bid of Evans Construction Co., for the removal of the San Gabriel bridge, situated one half mile south of the town of San Gabriel is in the bed of the river. This contract consists of the removal of all materials consisting of iron, lumber, etc., to the south bank of San Gabriel river. Work began on this the 26th of Sept. and is to be completed in fourteen days thereafter, and is to be done under the supervision of Commissioner H. H. Moore and County Engineer Mitchell. It was understood by the court that local labor should be employed in this work where able to perform same.

The bid of Evans & Co., was accepted by the court for the raising and re-erection of slough bridge on Cummings crossing road near Henry Hails place, for the sum of $650, this work to be done under the supervision of County Engineer Mitchell and Commissioner Reaves. Concrete base of piers to be paid for at rate of $22 per cubic yard.

COURT TAKES STEP TO ENFORCE SANITATION

The Commissioners court has taken steps to encourage sanitation in this county in the overflow district following the flood. Action ws taken at the regular meeting of the Commissioners court on last Thursday. The court voted to make a ten day campaign under the supervision of the county health officer, Dr. T. J. Denson.

The court ordered that the county health officer be authorized to employ one competent man for a period of 10 days for the purpose of visiting the various communities of the over-flowed area of this county for the purpose of urging upon the people the necessity of an organized effort to destroy carcasses of animals, and clean up premises affected by the overflow, and that such person be allowed a compensation of $10.00 per day for his services, and his work is to be under the supervision of the county health officer.

GLENN FLYNN ENTERTAINS

The first party of the school year was enjoyed last Friday night by about fifteen couples, the guests of Glenn Flynn.

The home was decorated in queen's wreath. After all had arrived stroll cards were passed and to the music of the Victrola the strolls began.

Fourteen strolls were enjoyed by some while others enjoyed the music, played 42 and looked over interesting annuals of different schools and colleges. Delicious punch was served throughout the evening by Misses Harriette Flynn and Elizabeth Adams. At the close of the evenings pleasure, Mrs. Flynn, assisted by her charming daughter, Misses Catherine and Helen served delicious brick cream and cake, with queens wreath as plate favors.

Yoe-Hi News

[By LEE R. TAG]

Chapel Exercises.

Last Wednesday morning the students gathered for a few moments of relaxation and pleasure. The first thing was the singing of America with Mrs. Jeter at the piano, Olive Henderson with the Violin and Lee Tag with the cornet. Willene Barber made a few remarks about the work of the Girls' club. This was followed by a talk on the same line by Eloise Rogers. Then Hubert Mewhinney, the president of the Senior class made quite a few remarks concerning the Boys' club. This was met by applause Mary Kelso then gave a few details concerning the work of the Girls' club during the next year. The program closed with "Old Folks at Home."

Boys' Club Organizes.

Last Wednesday afternoon the boys of the school gathered in the study hall and organized The Disciples of Socrates ,a literary club that is intended to help the pupils in their work. The officers elected are:

Hubert Mewhinney, president.
Billie Avriett, vice president.
Willard Keith, secretary and treasurer.

Carrie Yoe Club Organizes.

Last Wednesday afternoon the girls of the eighth and ninth grades organized the Carrie Yoe Club. This is a club for the purpose of promoting interest in school work and general welfare. A good meeting was had and all of the members showed much enthusiasm. The following officers were elected:

Eloise Rogers, president.
Mary V. Atkinson, vice president.
Ruth Kemp, secretary-treasurer.
Marie Bryant, reporter.

The supervisor of this club is Miss Loventhal.

Joe Mohler a member of the Senior class who has been absent from school on account of an injured knee returned to school last Thursday and was at his regular places. The school is very glad to see him back.

BACK TO CAVE MAN STUFF

Rev. and Mrs. Rogers of Alexton, England have volunteered as missionaries to Tristan da Cunha, "Britain's loneliest island," 135 miles southwest of St. Helena, but they can find no ship that will take them there.

THE ADVANCE OF THE MILLINIUM.

Five hundred high school pupils of Pine Bluff, Ark., have pledged themselves not to wear transparent dresses, openwork hose, roll-down stockings, high heeled shoes, and extremely short skirts, and to refrain from the use of lip sticks and rouge.

DON'T PULL SISTER'S EARS.

Ernest Hewit of Fort Smith was sent to jail for three months for pulling his sister's ears during a quarrel in the family.

SOME'PIN WRONG SOMEWHERE.

Now comes Katie Daffan and says, "You can fall very deeply in love, have a good old-fashioned case and a relapse, and maybe never recover, and still have none of the vivid sensations of lightning striking you."

Maybe you get that last sensation after the ceremony.

MONEY FINES ARE NO GOOD

Score one for Judge George W. Dunn of Denver. In a case against two semi-prominent men of his city charged with gambling the judge recently sentenced them to attend church every Sunday for six months.

H. C. O. L. HIT AGAIN.

Piano manufacturers have announced three price cuts in as many months in England.

"IT'S IN HOUSTON."

Acute Coryza. The city health officer of Houston declared last week that most of Houston was suffering from the above disease. What is it? According to the doctor it is a form of cold in the head, affecting the nose principally developing fever in some cases.

HIGH SCHOOL LITERARY CLUB ORGANIZED AND WILL RENDER PROGRAM.

(Thorndale Champion.)

A literary society has been organized in the Thorndale high school and will render its first program tomorrow evening in the auditorium.

The following officers were elected at the organization meeting held last Friday afternoon at the school:

President, Lee Peebles; vice-president, Arden Scruggs; Secretary, Bess Clark, treasurer, Vashti Phillips, Journalist, Aden Worley; Critic, Prof. Eads; Sergeant-at-arms, Graham Scuddy; program committee, Clyde McDonald, Stella Stewart, Ruth Allcorn and Earl Scruggs.

Parents and friends of the school are invited to attend the meeting on tomorrow evening at 7:30 at the school auditorium.

A VISIT TO YOUR HOME TOW

Have you made one lately? Do you intend to go back some day?

In the meantime, you can live in your adopted home, where your business interests are and still keep in touch with the folks "back home."

Miles of land and sea can separate you from the highways and byways of your home town, your eyes cannot see "Main Street" and the old church and school house, but memories of these things persistently cling to you.

Your Home Town Paper will give you the live news about your old friends "at home," it will give you both the gossip and the serious news concerning men and events, it will bring to you the true atmosphere of your native soil. Subscribe today.

FIFTEEN MINUTE REVOLUTION

Charles Newton in Milwaukee smashed three windows and ran up the street shouting "The revolution is here." He was arrested, arraigned and sentenced to three months in jail, all in 15 minutes.

SORES ON CHILDREN

No mother wants her children covered with sores or the itch. It is embarrassing to the parents and children as other parents do not care for their children to associate with yours. The NEW EDISON

Bamboschek, principal conductor of the Metropolitan Opera, listened to Muzio, the dramatic soprano sing in comparison with the New Edison's RE-CREATION of her voice, and the following is his signed verdict:

"I consider that the quality of Miss Muzio's living voice and the quality of her RE-CREATED voice are identical."

Clubman is surprised at country boy's knowledge of Muzio's voice.

The New Edison brings the artist's real voice to you, no matter where you live.

More Than Mere Entertainment

When you buy a New Edison—you get more than the best entertainment. You get cultural training and a musical education. You get the real performances of great artists. You get opera just as you would hear it at the Metropolitan, Pa Opera, Coventry Garden or Milan, and now

You Also Get Mood Music

which helps you control your mental and physical well being. Mood Music soothes you when you are nervous. Refreshes you when tired. Cheers you when sad. Mood Music is described in a booklet which classifies over 100 selections under headings such as—"To Make You Joyous"—"To Bring You Peace Of Mind"—"For More Energy", etc. Fill out the coupon and begin using music in this new and helpful way.

About Mood Music

Mood Music is the result of a two year research by Mr. Edison into the effects of music. The psychological work was under the direction of Dr. W. V. Bingham, Director of Applied Psychology, Carnegie Institute of Technology, and other psychologists. The remarkable discoveries, which they made through countless experiments, are now in booklet form for your practical use.

If you do not own a New Edison, we will gladly loan you one for three days—so you can discover what Mood Music and the wonderful New Edison will do for you.

NILE SIFTINGS.

Sept. 22.—Health of the community is very good. We have had plenty of rain, now for turnip sowing, the high water has come and gone on.

Our Sunday school is progressing awful nice. The young people met at the school house Sunday night and had singing.

Mr. Louis Kuykendall arrived home Saturday morning after spending two weeks with his aunt and family, Mr. and Mrs. Isaac Hunington near Bartlett. Mr. Garland Hunington also came home with Louis to spend a few days with his aunt Mrs. Willie Kuykendall.

Mr. Balfry Martin from near San Gabriel is spending a few days around Nile shaking hands with old friends.

Louie Wildman came home from Temple on Friday to spend a few days with his father and mother and friends.

Joe Lamb and family spent Sunday with Mr. and Mrs. Mug Kuykendall.

Mrs. M. M. Kuykendall and Mrs. Zelda Evans spent Sunday in the home of Mrs. Lander Williamson.

Mrs. Zelda Evans who has been visiting Mrs. M. M. Kuykendall and other relatives and friends left one day this week for her home in San Antonio.

Mrs. Dave Berry and children were in Thorndale Saturday.

John Berry and son Wilford were in Thorndale Saturday.

Mr. and Mrs. Otto Galbraith were selling cotton in town Saturday.

S. S. Wildman and son were trading in Thorndale Saturday.

A. O. Williamson had business in Thorndale Saturday.

Lin Dunham was hauling cotton to Thorndale Saturday.

Something is going to happen. Jim Harwood stayed at home Saturday and picked cotton.

SALTY SIFTINGS.

Sept. 21.—People are very busy gathering their crops after so much rain. Cotton is very sorry in this part of the country.

Miss Doney Hopkins who has been confined to her bed for the past two weeks, is reported better at this writing .

Mr. and Mrs. Iva Garner are moving back to the Salty community after loosing their crop and four head of stock in the Brushy bottom overflow. We are all glad to welcome them back.

Mrs. Leola Shultz, and children of Goose Creek are visiting relatives here.

Miss Pearl Pinkerton returned home Sunday afternoon after attending the teachers' institute at Belton and visiting her aunt, Mrs. Rubie Lusk of Temple.

Mr. Owen Lowery is busy making syrup this week.

Messrs. Dave and Henry Howe and Felix Lumpkin, Misses Lucile Howe, Thelma Jackson and Gladys Beard were guests of Hadley and Clarice Jinks Sunday.

Brother Covington filled his appointment here at the Baptist church Sunday and Sunday night. A large crowd attended both services.

Our literary is progressing nicely here and is well attended. Frank Clement our president takes great interest in making the literary a great success. Our next meeting night will be Sept. 30th. Everybody is invited to attend.

Mrs. Claude Mullin and children visited Mrs. Mullins' parents Mr. and Mrs. George Doss of Gay Hill Sunday.

Frank Jackson hauled a load of lumber from Thorndale Monday evening to help replace the Rocky bridge that was carried away in the overflow.

Master Teddy Beasley returned home last Friday after a week's visit with his grandparents Mr. and Mrs. Beasley or Thorndale.

Miss Mattie Saller who had been visiting her aunt Mrs. John Bonds of Rockdale and was water bound for several days stopped with her aunt Mrs. F. J. Clement enroute home.

BROWN EYES.

STATE OF TEXAS,
County of Milam.

Whereas, the undersigned R. L. Batte has applied to the Cameron Compress Co., who conduct a private warehouse, located at Cameron in the county of Milam and State of Texas, for the delivery of one bale of cotton, without the surrender of the original receipt issued for said cotton, said receipt being No. 163533 of the series of 1920, issued on the .... day of..... A. D. 1920 in the name of Batte & Alva for one (1) bale of cotton, weighing ..... and a copy of said receipt is on file in the office of the Cameron Compress Co., and is here referred to and made a part of this obligation for descriptive purposes; and

Whereas the said R. L. Batte has represented and shown to the satisfaction of said Cameron Compress Co., that said original receipt is lost or destroyed;

Now therefore, we, the said R. L. Batte as principal and the other subscribers hereto as sureties, do acknowledge ourselves indebted to and held and firmly bound and obligated to pay to the said Cameron Compress Co., a private corporation, its successors or assigns, the sum of Fifty dollars, ($50.00) at Cameron in Milam county, Texas, for the payment of which well and truly to be made we do jointly and severally bind ourselves, our legal representatives, successors and assigns firmly by these presents.

The condition of this obligation is such, however, that in the event no person should finally hold the original receipt heretofore described in good faith and for a valuable consideration, this obligation is to be null and void; otherwise to remain in full force and effect.

In testimony whereof, witness our hands this 18 day of June, A. D. 1921.

R. L. BATTE.

For Torpid Liver

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. Whiteside, of Keota, Okla. She continues: "I had a pain in my chest after eating—tight, uncomfortable feeling—and this was very disagreeable and brought on headache. I was constipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

Thedford's
BLACK-DRAUGHT

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffering from effects of a torpid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, dizziness, constipation, bitter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful about the medicine you take. Be sure that the name, "Thedford's Black-Draught," is on the package. At all druggists.

Accept Only the Genuine.

THORNDALE NEWS

BY FRED M. HERNDON

ANOTHER BODY RECOVERED FROM THE GABRIEL RIVER MAKES TOTAL 64.

The body of a Mexican child was found Sunday in a tree near the Penn camp ground on the San Gabriel river, bringing the total number of bodies recovered from the recent flood waters of the Gabriel and Brushy creek to 64.

No further reports have been received here but it is believed there are still twenty persons as yet unaccounted for and who are believed to have lost their lives in the overflow.

The local chapter of the Red Cross with Chas. Saller as chairman is continuing the flood relief work as long as necessary. Many calls for clothing and groceries have been met by this chapter and much suffering has been relieved thereby.

Commissioner Moore is still a very busy man in fixing up bridges and roads in this section. Many of them are yet impassable owing to bridges washed away and washed condition of the roads.

The Rockdale-Thorndale road was placed in commission on Monday of this week but is still very rough. The road to San Gabriel will necessitate a temporary bridge where the large steel structure was washed out and it is thought a temporary bridge will be put in there in the next few days.

LILAC SCHOOL WILL OPEN NEXT MONDAY WITH ADOLPH TAEGEL PRINCIPAL.

The school at Lilac will open next Monday morning with Prof. Adolph Taegel of Thorndale as principal with Miss Rubye Wille of San Gabriel assistant.

Steve Hana and son of above Taylor was in Thorndale Monday looking for some livestock that had washed away in the flood. While here he called at The Champion office and had his name placed on our subscription books

Dr. L. L. Lee of San Marcos was a business visitor in the city Monday.

H. H. Crockett of Austin, a brother of Dr. H. H. Crockett was a business visitor here Monday.

The many Thorndale friends of Rev. C. O. Cook of Sherman who assisted Rev. J. J. Burk in the recent revival meeting here will be interested to learn that he has accepted, and entered upon his duties as assistant pastor of the Columbus Street Baptist church at Waco.

DIRECTORS FIRST NATIONAL BANK HELD MEETING MONDAY

The directors of the First National Bank held a meeting in the rooms of the bank here Monday afternoon. Dr. L. L. Lee of San Marcos and H. H. Crockett of Austin were in attendance.

DETMOLD SCHOOL WILL OPEN MONDAY, OCTOBER 3RD

The school at Detmold will begin the new school term next Monday morning with Prof. F. W. Heyer as teacher.

MISS ILA MAE ADAMS TO TEACH HICKS SCHOOL BEGINNING MONDAY MORNING.

The school at Hicks will begin the new term Monday morning with Miss Ila Mae Adams of this city as teacher.

THAT ALL-STAR CENTRAL TEXAS TEAM.

That the "hot stove league" is beginning its sessions is shown in the sports column of The Austin American of the past Sunday ,and also in a recent number of the Cameron Enterprise, whose sports editors have each picked their all-star teams from the players of the central Texas teams.

Both sports editors advanced their reason for selecting the players, and as this is a harmless and diverting part of the work of a sport scribe it can be indulged in freely.

Of course the sports editor of The Champion has his own mind about this all-star team and does not agree with either of the above on the personnel of this team, and, of course, feels equally capable of selecting from the players mentioned a stronger team than either of them have selected.

This business of picking the winners is great stuff and can be indulged in by the layman as well as by the sport writers, and it is open season for this so if you do not like the team we have picked, make your own selection. You have as much right to do so as any one else.

Without going into the detailed workings of why and wherefore we are submitting our selections in the batting order below. And, as said before if you don't fancy this line-up, "roll your own:"

Name and Position	Club
Richards, 1b	Legion
Ellis, ss	Thorndale
Culver, lf	Thorndale
Falk, 2b	Legion

Henderson, c	Legion
Gillette, p	Thorndale
McCall, p	Elgin
McMellan, p	Thorndale
Wilson, utility	Legion
Cannon, utility	Elgin

TRADES DAY SLIM AFFAIR HERE MONDAY DUE TO IMPASSABLE ROAD CONDITIONS

Trades Day in Thorndale last Monday was not the success it has been in the past due to the almost impassable roads throughout this section.

The road work is progressing more rapidly now and before the next Trades Day, October 24th, the roads will be in condition and Thorndale is anticipating one of the largest crowds ever in its history.

President Newton of the Commercial club stated Monday that plans would be drawn for next Trades day on a scale that will make up for the last Trades day and that new features would be incorporated into the program for Monday, October 24th, that would well repay those who could not attend last Monday.

The roping and riding events at the park under the direction of Walter Felton were thoroughly enjoyed by a fair sized crowd, much larger than was anticipated. There were more and better horses on hand for this event than at any Trades day yet held, horsemen coming from Milano, Rockdale, San Gabriel and Beaukiss for the events.

In the goat roping contests B. F. Bullock of Milano won first prize of $12 in 20 seconds, Jesse Alford of Rockdale, second prize of $8, time 27 seconds and Walter Felton ,third prize $4 in 28 seconds.

Kinzie Pope ,local negro rode the bad horse twice. A girt breaking in the first attempt caused him a nasty fall, but he was equal to the occasion and was successful in his second attempt.

A. B. Simmons and J .E. Moore of Beaukiss rode the mules. Simmons slipping over the mule's head in his first trial.

CROPS AROUND THRALL SHORT

The two Thrall gins have only ginned 812 square bales of cotton and 307 round bales this season, and it is now estimated that they will not receive more than 30 per cent of what was ginned last season, although it was estimated in the beginning of the season that Thrall would gin 50 per cent of what was ginned last season. Cotton seed is bringing $34 per ton.

SCHOOL NEWS.

Our foot ball boys are getting ready to deliver the goods. The following line up will, as we hope, defeat Bartlett, the 21st and Rockdale the 28, both games being played on foreign grounds.

Line men, center, Elmer Townsend, right guard, Aden Worley, left guard, Hugh McMillin ,right tackle, Harmon Ponton, left tackle, Elzie Lyles, right end, Gordon Hinds, left end, Mike Newton, back field men, quarterback, Lee Peebles, left half back, Graham Scuddy, right halfback, Barney Gunn and fullback, Herman Titsworth.

Wanted in Tenth grade, some brains. See H. M. Roark.

Girls basket ball has organized under the management of Miss Farrer, Vashti Phillips being elected captain. They expect to do much this year to bring the honors to T. H. S.

The Champion is in receipt of a letter from Mrs. D. S. Isaac of Copperapolis ,California, a former resident of this section who is now in California teaching "the young ideas how to shoot." She was very muchly interested in Thorndale's Trades Days, and also was anxious in asking us to "please print more San Gabriel news."

Mrs. Ed Clark and baby were week end guests of friends in Rockdale.

H. A. Michener of Baltimore, Md., general manager of the Giddings Oil, Gas and Development company has been a visitor to the Bremond Ranch deep test here for several days, the guest of manager Ralph Babcock.

BIG EATERS GET KIDNEY TROUBLE

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flush-

The Laws of Economy

An apple bounced off Newton's head and inspired him to evolve the Law of Gravity. The advertisements in this paper can give you—no less forcefully—the inside workings of the Laws of Economy.

As sure as the apple hit Newton, the advertisements have a personal message of economy for you.

Merchants tell you of their bargains through advertisements.

Almost every new opportunity is offered through an advertisement.

Practically every unusual buy is advertised.

You save time and trouble by choosing what you want and where to get it from the advertisements instead of hunting all over town.

You save money by keeping up with every opportunity to get full value in buying.

Men's Bible Class, Mr. Oscar Kidd.

Younger Ladies' class, Mr. J. M. Ralston.

Home department, Mrs. Brewer, superintendent.

Cradle Roll ,Miss Maud Walston, Superintendent.

Mexican department—Mrs. M. C. Sapp, Mr. Hernandez.

Organist for Sunday school, Mrs. J. L. Denson.

Secretary for Sunday school, Mr. C. D. Lay.

Board Secretary, Mr. Robert Mayfield.

Assistant Superintendent, Mr. Frank Reed.

MISSIONARY RALLY DAY.

The Presbyterian ladies are arranging to have a rally day program on the second Monday in October. There will be a fine program, a social hour and every lady in the congregation is invited to be present.

PRESBYTERIAN AUXILIARY.

The ladies of the Presbyterian church met Monday with fourteen present. The president, Mrs. Graham Gillis led the Bible study lesson and made a splendid talk on the first eleven chapters of Isaiah. After this there was a short business session.

METHODIST MISSIONARY.

At the opening meeting of the fall, there were twenty-two members of the Missionary Society met with Mrs. R. H. McIntosh Monday afternoon.

An interesting and profitable Bible study was conducted by their leader in that line, Mrs. McIntosh.

Visitors present were: Mesdames C. A. Dawson of Graham, and W. F. Weaver of Wolf City, sisters of Mrs. McIntosh and Miss Lightfoot of Tennessee. Mrs. McIntosh served delicious ice cream and cake during a social half hour.

BAPTIST AUXILIARY.

Thirteen ladies met at the church Monday and with Mrs. Wm. Henderson leading an interesting and profitable lesson from the M. W. U. manual was recited and enjoyed. After this a short business session was held.

CHRISTIAN CHURCH NOTICE.

Services by the pastor next Sunday, both morning and evening.

Sunday school at 10 a. m.

Prayer meeting Wedensday evening at 7:45.

CHRISTIAN AID SOCIETY.

These ladies met Monday afternoon with a good attendance. Mrs. T. A. Pope led an interesting iesson on the Lord's prayer from a Missionary point of view. At a business session a Missionary society was organized to meet once a month .

THRALL.

Sept. 27.—Fred Haag who has been in the meat market, restaurant and ice business for several years has sold out to A. W. Johnson ,recently of Oklahoma, who will continue the business

Arthur Stauffer who was killed Sunday morning in a pistol duel was burried Monday in the Zieschang cemetery. The funeral services were held at the home of his parents Mr. and Mrs. Charles Stauffer by the Lutheran minister of Thorndale. A large number of people was at the services which was conducted altogether in the German language.

The Thrall school is starting off nicely with the prospect of a good years school work. About fifteen minutes are spent in the morning in singing, prayer and short talk, and it will do the parents good to hear the voices of our boys and girls.

The body of a Mexican girl apparently about eight years of age was found Sunday afternoon about two miles down the San Gabriel from the Bowers farm where so many lost their lives during the recent overflow. She was burried where found.

It is estimated now that the Thrall gins will not gin more than 30 per cent of the amount ginned last year.

Piles Cured in 6 to 14 Days
Druggists refund money if PAZO OINTMENT fails to cure Itching, Blind, Bleeding or Protruding Piles. First application gives relief. 60c.

LARGE MAIL ORDER HOUSE READS ALL COUNTRY PAPERS

"We have a bureau whose duty it is to read each week the country newspapers from all over the country. There is not a paper of any consequence in our trade territory that our bureau does not get. This bureau looks over these papers and when we find a town where the merchants are not advertising in the local paper we immediately flood that territory with our literature. It always brings results for in excess of the same effort put forth in territory where the local merchants use their local papers," said Herman Rosenfield ,advertising manager for Sears ,Roebuck & Co.

Joe Mohler a member of the Senior class who has been absent from school on account of an injured knee returned to school last Thursday and was at his regular places. The school is very glad to see him back.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 35 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 75c.

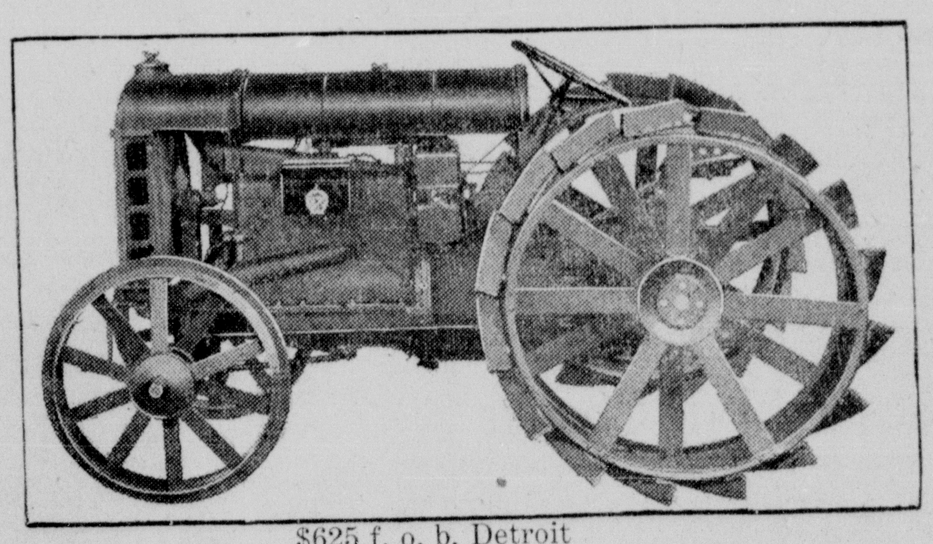
Fordson



$625 f. o. b. Detroit

Power Farming with the Fordson

The Fordson Tractor is taking care of every power job; it is taking the drudgery out of farm work and solving the labor problem. Power farming with the Fordson reduces the cost of preparing land to almost one half what it would be with horses, and saves a third to a half of the farmer's time. What machinery does for thef actory, the Fordson Tractor is accomplishing on the farm—it is increasing production at lower costs and making farm life attractive.

Apply this power farming idea in your threshing. More and more farmers are making themselves independent of unfavorable conditions by using the Fordson tractor linked up with a light thresher. By seizing the right moment and being able to do the job without waiting and in quick time, crop losses are avoided and profits increased.

The Fordson operates with kerosene. When used on belt work, running at full power at 1,000 R. P. M., the fuel consumption does not exceed 2 3-4 gallons per hour. It will run the electric light plant, operate the milking machines and straw baler—will take care of every kind of belt work.

The Fordson plaws 6 to 8 acres in a 10-hour day, handling two plows with ease in the average soil. It requires an average of only 1 1-2 to 2 gallons of kerosene to the acre.

It is the ideal year-round tractor. It will pay for its fall and winter keep in many ways such as road work, hauling grain to the elevator, pumping water and moving granaries.

CHAMBERS-HEFLEY MOTOR CO.

Cameron, Texas

Flood Washed Up Old Grape Shot On Batte's Farm

One of the returns from the recent floods near Cameron, not relating however in any way to the sad aspect of the situation, is the report from Mr. R. L. Batte who owns the Riverside farm, five miles above Cameron on Little river, of the finding of an old corroded grape shot that was washed up by the flood. This old relic of bygone days, was found on the Riverside Farm at a spring known for many years as the Ackerman spring. A good deal of curiosity has been shown by old citizens of the community regarding the relic, and much speculation has been advanced as to how and when it was left at this place. We learn from Mr. Batte that there was an ancient road through the Riverside farm that crossed Little River some distance above the mouth of San Gabriel river and led through the Holtzclaw farm and on toward Austin and San Antonio. Possibly the early defenders of our state in hastening to defend some beleaguered fort, made camp at this spring in following this old trail and left behind them one of their crudely formed grape shot to be found a hundred or more years later. Possibly the shot may have actually been fired from an ancient cannon by early settlers in defense of their homes against the Indians or Mexicans. None can tell but many of us would give much to know the history connected with this old relic.

NOTICE TO CONTRACTORS.

Sealed proposals addressed to Giles L. Avriett, auditor Milam county, Texas, for raising and re-erecting certain bridges in Milam county, will be received at the office of County Auditor at Cameron, Texas, until 2 o'clock p. m. Friday, Oct. 7th, 1921, and then publicly opened and read.

The following bridges near Thorndale: Raising and re-erecting the Glasscock bridge over the San Gabriel river. The re-erecting of the San Gabriel bridge over the San Gabriel river. The building of a new 75 foot bridge over Alligator creek near Redville gin. Building of a new bridge over Clay's Creek near Ed Graham's.

The following bridges near Rockdale: Raising and re-erecting of the Sheckles Bridge over the the San Gabriel river.

The following bridges near Cameron: Raising and re-erecting of the Little Bear Creek bridge, and the 40 foot bridge near the J. B. Roger's place on Holtzclaw road. Also the raising and re-erection of the 40 foot I-Beam bridge near Tomasek place on the Ad Hall, Norman Valley road.

Detail description of the work to be done may be obtained from the office of A. F. Mitchell, county engineer, Cameron, Texas. Separate bids will be received on the repairs of each bridge.

A certified check for 5 per cent of bid must accompany each proposal. Milam county reserves the right to reject any and all proposals and waive all technicalities.

GILES L. AVRIETT,
County Auditor Milam County, Tex.
22 2t.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

DISARMAMENT.

On Nov. 11, Armistice Day, there will assemble at Washington representatives of the great nations, upon invitation of President Harding, to sit in conference upon disarmament and upon a way of arriving at a settlement of questions that might be the cause of friction between nations, in short, to remove possible causes of war.—Kilgore Chronicle.

The world is looking forward with great interest. but less confidence, to the assembling of the disarmament conference. It would seem that there should be no great difficulty in the nations of earth coming together, through their chosen representatives, in seasoned counsel, and agreeing to cease adding to their naval establishments and army enlistments. But it isn't as simple as that. Every country to be represented in the conference has interests outside its immediate home sphere and these interests can be safeguarded, as some statesmen believe, only through armed authority. For example, if we had no navy or had one like Mexico's our attempt to rule the Philippines would be a farce, in all probability. Without a navy, England would govern India about as long as an Arctic night. There are innumerable difficulties in the way of appreciable disarmament, but they certainly are not insurmountable and international statesmanship owes it to itself and the world to arrive at a reasonable agreement for a reduction in the very heavy and very unnecessary taxation which competitive armaments compel. There are many who still believe the league of nations offered the better way, but a thin imitation of the real thing will certainly be better than nothing. Interantional poverty will force economy in expenditures if international common sense does not. Secretary Mellon's estimate for the next fiscal years calls for $4,500,000,000. For the year preceding our entry into war our expenses were a little over $1,000,000,000.—Dallas News.

Place a man on a barren island with material and tools for manufacturing and supplies to live on for one year, and after the end of the year, although he may have a house with many comforts, he will soon die of starvation. Place a man on a fertile island with seed suited to soil and seasons, with supplies for one year and at the end of the year he will have supplies for himself and many visitors. This proposition holds good also on the mainland and with all its inhabitants.—Farm and Ranch.

Colds Cause Grip and Influenza

LAXATIVE BROMO QUININE Tablets remove the cause. There is only one "Bromo Quinine." E. W. GROVE'S signature on box. 30c.

STATE OF TEXAS,
County of Milam

Bailey P. Turner.

The county court of Milam county has appointed me temoporary administrator of the estate of B. P. Turner, with instructions to take charge of all property, collect all debts, etc. All persons owing Mr. Turner will please communicate with me at once, concerning their debts. His trunks containing valuable papers are in the bottoms. Watch for it. Much of his property has been scattered by the recent floods. You are asked to watch for same, and finding any of it, take charge and advise me promptly. Any information concerning his property or debts will be greatly appreciated.

E. A. CAMP,
Temporary Administrator.
P. O. Rockdale, Texas, Sept. 19, 1921.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.

Grove's Tasteless chill Tonic

restores vitality and energy by purifying and enriching the blood. You can soon feel its Strengthening, Invigorating Effect. Price 60c.

CASTORIA

For Infants and Children

In Use For Over 30 Years

Always bears the Signature of Chas. H. Fletcher

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

To Stop a Cough Quick

take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues.

A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 35c.

Just ask your druggist for HAYES' HEALING HONEY.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

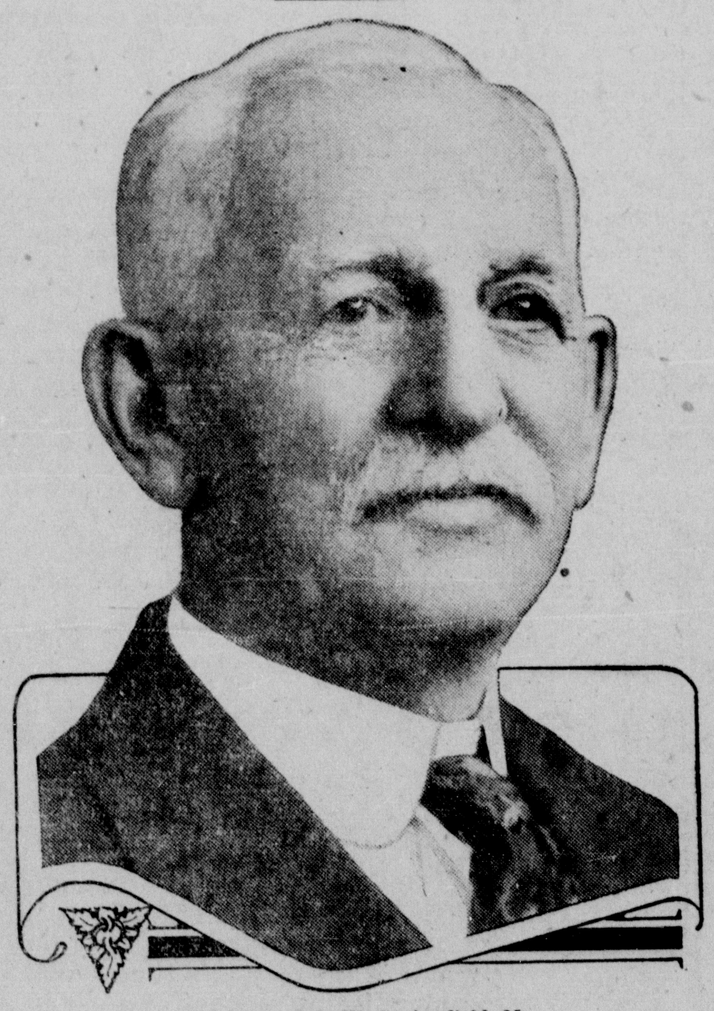
Veteran of Civil War Still Hale and Hearty



GEORGE D. SHAW, Springfield, Mass.

"To say that I feel twenty-five years younger, twenty-five years healthier and twenty five years stronger express what Tanlac has done for me better than any other way I can put it," said George D. Shaw, veteran of the Civil War, who now lives at 321 Walnut street, Springfield, Mass.

"I am now seventy-eight years old and I don't hesitate to say I have never known a medicine to equal Tanlac. For fifteen years I was subject to attacks of indigestion that were so bad at times I would have to lay up for a week or two. For a long time I lived on crackers and milk alone as nothing else agreed with me.

"When I started on Tanlac I weighed only one hundred and seventeen pounds and my days were thought to be numbered. I've been so wonderfully built up, I now weigh one hundred and forty-three pounds and my stomach is as sound as a dollar. In fact, I believe I could eat the old army rations again without it hurting me in the least.

"I never miss a chance of saying a good word for Tanlac and I would like to urge the boys of the "Sixties" who are not feeling right to give it a trial, for I am sure it would put them in line again just at it has me. For a man of my age to have no physical ailment, to be well and strong and enjoy life as he did twenty-five years ago, is certainly something to be thankful for and there is nothing too good I can say for Tanlac."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldridge Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store. adv.

WAS SURPRISE OF MY LIFE, HE SAYS

Oklahoma Business Man Says Tanlac Restored Him a Year Ago And He Still Feels Fine.

"I endorse Tanlac from the bottom of my heart, for it set me right a year ago and I have enjoyed the best of health ever since," said Claude E. Andrean, 200 Garfield St., Sand Springs, Okla., Mr. Andrean is a member of the firm of Andrean and Day, and his standing and influence are too well-known to require further comment.

"I hadn't been in good health," he went on, "for some two yearss and was so run-down generally I could hardly take care of business. What little I ate did me more harm than good and I felt tired out from morning till night. I was nervous and restless and my whole system seemed to be out of order. I didn't know what it was to feel good, and I was worried over where it would all lead to.

"I saw Tanlac so highly recommended that I made up my mind to try it, and nothing ever surprised me more than the way I picked right up. Three bottles simply put me to feeling like I had been wanting to feel, and to this day I have been in as good health as I ever was in my life. Tanlac certainly proved its worth i nmy case and there is no question about its being a great medicine."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldridge Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store. adv

MONEY FARM LOANS MONEY

Realizing that the floods, etc., have created a financial stringency, that local debts should be paid, that we need longer time to pay, I have arranged to care for all legitimate

Farm Loans

Time 5 to 20 years, with privilege to prepay each year. No charges nor commissions, no second papers, simply a straight note, with annual interest. Your only expense is to furnish abstract and record papers. Loans closed PROMPTLY.

CROPS ON GABRIEL RIVER SUFFER LOSS ESTIMATED AT 50 PER CENT.

A careful estimate of the loss along the San Gabriel river from the W. S. Glasscock place to the forks of the Gabriel and Little rivers places the damage to cotton at fully 50 per cent and thirty thousand bushels of corn swept down stream.

More than 250 head of live stock were lost in this same section, and the loss of life from Georgetown to the forks of the two rivers has been placed at more than 100 persons. Sixty-three bodies have been recovered.

These estimates have been made by persons living in the afflicted section and are conservative.

MAYBE IT WAS WORTH IT, AT THAT.

P. E. Tabor, a globe trotter arrived in Houston last week, coming all the way from Pretoria, British South Africa, just to obtain a copy of his divorce decree recently issued by a Houston judge.

BACK TO NORMAL IN SOUTH TEXAS

For the first time since the suspended sentence law was enacted in Texas, a term of the Cameron county court at Brownsville has been held without a single suspended sentence being allowed.

ALL TOGETHER! BOOST!

We can knock it, we can rap it,
We can kick and we can scrap it,
But let's advertise our town another way:
Let us laud it and applaud it,
Let's commend it and defend it
Till the world shall know we mean just what we say.

We can rake it, we can break it,
We can make it or forsake it,
Just by the way we talk about "Our Town."
We can boost it, we can shove it,
We must talk it, we must love it,
If we want it to go Up instead of down.

Why not sing and shout its praises—
Mention all its happy phases—
Show the world the best town on the map.
Boost it at the store and table,
Boost it when and where we're able—
All together NOW let's boost and "can" the rap!

—By Richard H. Pugh.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 50c.

GOOD things from 9 sunshiny climes poured into a single glass for you.

TRADE REGISTERED MARK

LITTELL'S

LIQUID SULPHUR COMPOUND

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Littell's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

Small size 50 cents bottle, Large size $1.00
JAMES F. BALLARD, Prop. St. Louis, MO.

NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils to Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passages of your head and clear and you can breathe freely. No more hawking, snuffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.

Don't stay suffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head, soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid. adv.

COTTON GIN SUCKS IN BOOKKEEPER'S WATCH AND DEMOLISHES IT

Thrall, Texas, Sept. 23.—Worth Modessett, bookkeeper for the Thrall Gin Company, lost his watch and chain Wednesday in a peculiar manner. He was assisting a boy on a wagon of seed cotton, when his watch was caught by the boy's clothing and thrown into the seed cotton, which was drawn up by suction and carried through the ginstand.

The only thing found by the ginner was an inner plate of the watch. The watch was a keep sake, coming from Modessett's father, who died when the son was a baby.

HOME TOWN PAPER WEEK

Nation-Wide Movement Set for November 7-12.

Every Four Corners has its Home Town week now-adays, but all the boys and girls who have wandered from the Township Center cannot get back to enjoy the loved surroundings. But all can subscribe to the old home town paper and thus keep well in touch with the little spot they once called home.

What joy to run over the school promotions and find that the tots of a few years ago are moving higher and higher in scholastic circles and eventually blossom forth as the "sweet girl graduates," or the clean strong boys discarding knickers.

Just watch that hardened old city codger open up his home paper—it is the first thing he picks up out of his bunch of mail—and what can he find there to interest him? Angus McGugan's horse died yesterday, Peter McGregor will run for the county clerkship, Horace Jell hopes to win the secretaryship of the Hilltown agricultural society, Lydia Munger has opened a millinery store in one side of the printing office, Mrs. Brown lost her hand satchel in the butchery, Dr. Dorland is attending Clara Brown who is down with a severe cold, Mrs. Plater broke her ankle and is in the county hospital.

Yet though he smiles at the old-time styles and expressions he enjoys it all over and over again, for it takes his mind back home where his wonderful boyhood days—happy days—were spent.

THE FAIR

There's A Reason | **Cameron, Texas**

SOCIETY and Club

By MRS. W. A. GILLON

McKEE-COX.

The following taken from the Houston Chronicle will interest many Cameron people because Mr. Rupert McKee was a Cameron boy for several years, in the employ of C. N. Green & Bros., since then has visited his sister, Mrs. T. O. Hamilton here a number of times ,while engaging in the business of commercial traveler out of Houston, is a young man of fine qualities and liked by all who know him.

The marriage of Miss Lucille Cox and Rupert Maine McKee took piace last night at the home of the bride's parents, Mr. and Mrs. J. L. Cox, 4002 Caroline street, with service read by Dr. James B. Leavell.

The home adornment featured the bridal motif in charming manner with quantities of feathery white asters and roses, clustered amid lace fern and smilax. in tall floor baskets twined with tulle. An improvised altar of palms ,ferns and foliage formed the place for the saying of the solemn vows. A pathway from the reception hall to the altar was defined with baskets of blossoms, and the little ribbon bearer, Charles Seaman, marked the way with silken ribbons prior to the coming of the bridal party.

Preceding the ceremony Mrs. Joe Qualtrough sang "I Love You Truly," accompanied on the piano by Miss Katherine Secor ,who also gave the processional.

The bride entered with her father, who gave her in marriage. She wore a beautiful costume of lustrous white satin, with bodice of chiffon embellished with white velvet flowers, the court train being also adorned with the hand-made roses. Her sweeping filmy tulle veil was adjusted within cap fashion ,with bandeau of orange blossoms and her bouquet was fashioned in shower effect of white roses and lilies of the valley.

Attending the bride as matron of honor was Mrs. Louis Hill Kennon, a recent bride whom Miss Cox attended as bridesmaid, at her wedding. She wore her wedding gown of white satin with lace elaboration and her arms were filled with delicate hued pink asters. Miss Elizabeth Crichton, cousin of the bride, served as bridesmaid, wearing a frock of turquoise blue meteor. She carried an arm cluster of pink asters. Little Miss Ruth Bryant served a sflower girl in frock of soft blue crepe meteor and carried a basket filled with a wealth of pink asters. The small ring bearer, Hazel Adelle McLaughlin, wore a frock of white crepe de chene and carried the circlet in the heart of a large white chrysanthemum. Franc McKee of Fort Worth, brother of the groom ,served as best man.

Following the ceremony the wedding collation was served in the dining room where coral vine and other with fernsci ofmbotasta.-1rh mb mb lovely pink blossoms intermingled with fern made a pretty environment. Punch was served on the large gallery. The wedding cake rested on a bed of asters and ferns on the table overspread with handsome cluny cover ,and dainty accessories added to the charm.

The young couple left during the evening for San Antonio and other Texas points, the bride wearing a modish blue tricotine with smart hat to match. They will make their future home in Houston.

MERRY WIVES AND MAIDS.

The forty-two club formerly called M. W. and M. met in business session last Thursday afternoon with their president, Miss Clara Thomas.

The reception suite was bright and cherrry in cut-flowers of various kinds and colors.

There were ten members present. Miss Clara presided in her usual charming way and the following officers were elected:

Mrs. James Watson ,president.

Mrs. Albert Triggs ,vice president.

A number of former rules and regulations were discussed and those considered advisable adopted.

The resignation of Mrs. Roy Boskin was presented and very reluctantly accepted. Mrs. R. D. Brown was by acclamation unanimously elected a member.

The club gave the retiring president a rising vote of thanks for her efficient and faithful years service. Miss Thomas assisted by her aunt Mrs. George A. Thomas served a delicious grape juice and sandwiches.

The first meeting of the year will be with Mrs. Ben Atkinson on the 6th of Oct.

* * *

D. A. R.

The Sara McCalla chapter of D. A. R. were the first to contribute to the flood sufferers, as also they were the first contributors of Cameron to the war work.

ANNOUNCEMENT.

The following announcement will be of interest to many friends in Cameron because of the popularity of one of Cameron's faithful and efficient families, Dr. and Mrs. Greer, now residing in Austin :

Dr. and Mrs. Wm. Worth Greer
announce the marriage of their
daughter
Mildred Eugenia
to
Mr. George Nolley Otey
On Thursday Fifteenth of September
nineteen hundred and twenty one
Huntsville, Texas.
at home
Ardmore, Oklahoma.

* * *

Mr. Leslie Lindsey spent Tuesday in Mexia on a business trip and visiting his cousin Mrs. Walter Stitt.

* * *

BRIDGE PARTY.

Last Friday afternoon the bridge club had a business meeting with their president Mrs. J. L. Clinton.

Mrs. Giles Avriett was elected president and Mrs. Fritz Fahrendorf vice president. They will begin their meetings in October, meeting on the 2nd and 4th Fridays.

* * *

BIRTHDAY PARTY.

Mrs. J. C. Reese complimented her little neice, Abbit Reese Harvey with a lovely birthday party Wednesday afternoon from 4 to 6 o'clock. There were about sitxy little folks responded to the invitation and came laden with gifts, suitable for a little girl four years old. It was a porch party and Mrs. Reese had it decorated beautifully in pink roses and queen's wreath. Mrs. Reese was assisted in entertaining and serving the children by Mrs. Mac Harvey, Misses Mary Belle, Lelia and Abby Batte and Cornelia Eslinger. The beautiful white birthday cake with four tiny white candles. It was decorated in queen's wreath. All the children cut and the ring fell to John Martin, the dime to Billie Marek, the button to Junior Walters, and the thimble to Katherine McCowan. Ice cream cones were served the children and each given a large red stick of candy to carry home.

* * *

GIRLS' CLUB

An exceptionally interesting meeting of the Girls 'club was held Wednesday afternoon in their club room at Yoe High. The chairmen of all committees made reports concerning the work to be done this coming year. The Girls' club has set a high standard and will live up to it.

Among other business of the afternoon the club was unanimous in voting $100 as a school library fund.

The program was;

Roll call.

Business, committee reports.

Address by Mr. Kidd (extemporaneous).

"The Four-Fold Purpose of our Club," Miss Anabel Clinton, Pres.

Hull House (social service,) Miss Mildred Moore.

A short story (social side of club), Miss Sallie Coleman.

A talk on Physical side of club activities, Miss Pauline Green.

A talk on intellectual side, Miss Olive Henderson.

Clarence Redfield and Alfred Waston ,two popular postoffice boys left Tuesday to enter Baylor university.

All sizes of Towle's Log cabin syrup. Giles L. Avriett.

Mrs. A. G. Ruhman of Waco spent last week end with her brother, Paul Marburger.

Heinz sweet gherkin pickles. Giles Avriett.

Mesdames C. A. Dawson of Graham and W. F. Weaver of Wolfe City, are guests in the home of their sister, Mrs R. H. McIntosh.

"Flanders Fields" a beautiful gift parchment at the Specialty Shop.

Mrs. Delia Kennedy will leave Friday for a visit in Temple with her son, Mr. C. L. Reynolds, a druggist in that place.

A. E Schiller of the Cameron Motor company visited in Thorndale and Taylor Sunday.

Ferndell dry pack shrimp. Giles L. Avriett.

Perry Wilkerson spent Tuesday and Wednesday in Waco attending to business.

Sunbeam Mayonnaise salad dressing. Giles L. Avriett.

Use Diamond tires.

Miss Katie Henderson left this week for Belton where she will teach in Baylor college.

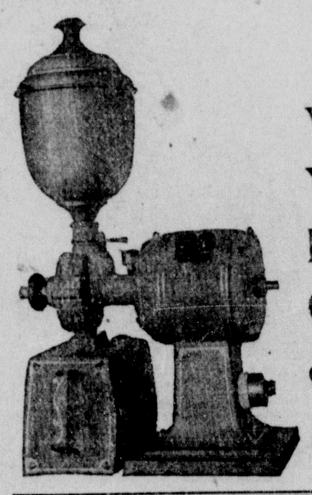
YOUR PATRONAGE IS APPRECIATED

Service, Quality and Price



We are at Your Service this Fine Mill Grind Course or Fine

Just Received

Big car of that celebrated New Way Flour. We know there is no better flour than the New Way, and if you just try one sack that will be all we want. Put up in a double sack, dust proof. We never have bugs and worms in our flour, because we sell a solid car every month.

Easy to Serve

A fine lunch quickly with our biscuits, canned fish, meat or poultry and our j a m s, pickles, olives, eac. Not a bit of cooking required, a big luncheon can be prepared in a few minutes. Many fine housekeepers always keep a supply of our table dainties on hand. It will be a good idea for you to do likewise.
